

Quality Policy

Polar Refrigeration Services provides responsive, professional, and reliable refrigeration service to commercial and industrial clients throughout Queensland.

We achieve success by:

- Provide quality products and services
- Maintain a healthy and safe working environment
- Provide appropriate training for our staff
- Engage ATLAS Certification to review and audit our Quality Systems in accordance with ISO 9001
- Establishing our business and quality objectives.
- Monitor of business & quality objectives to ensure customer satisfaction & continuous improvement of the company which are reviewed at the Management Review meetings.

An essential part of this is that we must always seek to maintain good relationships with clients, employees, sub-contractors and suppliers.

As a result, we are committed to following all the procedures in the Quality Management System which has been prepared to meet the requirements of ISO 9001:2015 and to the continual improvement of the Quality Management System.
